Commercial and Military Drone Assembly

Ways we can support your manufacturing processes

intertronics

PCB / Electronic Assembly

- → Potting compounds
- → Electrically conductive adhesives
- → Dymax 9773 low outgassing UV adhesive
- → UV light curing adhesives
- → Fast UV cure conformal coatings

Drone Shell / Housing

- → Silicone adhesive sealants
- → Fast UV curing form in place gaskets

Surface Preparation

- → Surface treatment
- → Surface measurement

Structural Bonding

- → Scigrip MMA adhesives
- → Gurit BondPro industrial epoxy adhesives
- → Born2Bond structural cyanoacrylate adhesive

Optical Assembly

- → Dymax optical adhesives
- → Opti-tec optical adhesives
- → Polytec PT optical adhesives

Battery Pack

- → Silicone adhesive sealants
- → Fast UV curing form in place gaskets
- → Thermally conductive adhesives
- → Polytec PT thermally conductive adhesives
- → Wacker thermally conductive silicone adhesives / potting compounds
- → Potting compounds
- → Surface preparation instruments
- → SITA CleanoSpector
